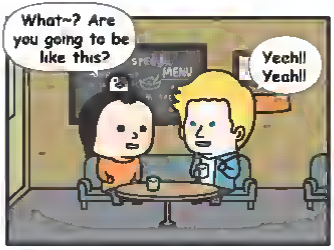
Penguin Loves Mev In the UK

Your Side, My Side



What I like to say when Mev upsets me is...

Then he noticed
the atmosphere and...

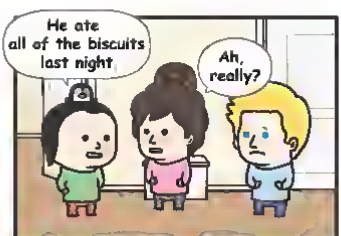
...asked me to translate
what she said to me.

After that day,

I hit Mev's bum softly
while we were playing.

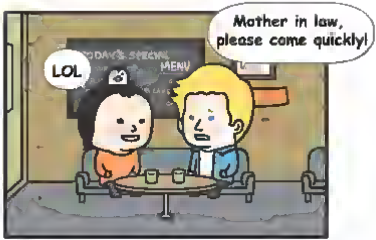
... my mom didn't take anyone's side and sat on the fence all af the time

Penguin is bad..
She's treating me badly
now.. I'm scared..

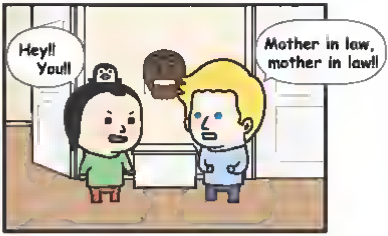


He ate
all of the biscuits
last night
Ah,
really?

But ..

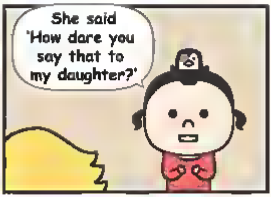


...he was looking farward to having someone who would take his side.



So, after my mom
came to spend time with us,...

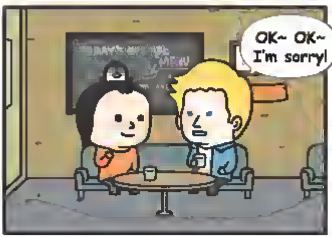
...he's been telling
my mom on me continuously.



She said 'How dare you say that to my daughter?'

'Let her hit your other cheek too

...this.



Because my mother in law, Gail,
always takes my side,...

But Mev didn't miss a chance to tell tales.

Both moms are on my side.

Liar.
